**To:** Mayor  
City Council  
Citizens of Centerville City

**From:** Brant T. Hanson, City Manager

**Subject:** Budget Message – A Summary of the FY 2024 Proposed Budget

**Date:** May 2, 2023

I am transmitting with this Budget Message our Proposed Budget for Fiscal Year 2024. I recommend the City Council tentatively adopt the Proposed Budget as the Tentative Budget, initiating a period for public comment. The City Council can revise the Tentative Budget before adopting the Final Budget. As required by State law, the City Council will need to schedule a Public Hearing to adopt the Final Budget, which in the past is generally scheduled at the first City Council meeting in June. Based on the historical trends, I propose the Public Hearing to be scheduled on June 6, 2023. Historically, Council has delayed the approval of the Final Budget to the following City Council meeting, which is scheduled to be held on June 20, 2023.

## Budget Overview

Our proposed budget for the fiscal year beginning July 1, 2023 (known as FY 2024) reflects a balanced budget that shows significant progress toward funding key services provided by the City including public safety, parks, transportation, and culinary water. Additionally, the recruiting, retention, and training of productive employees is a priority to maintain knowledgeable, qualified staff to maintain the high level of service expected by Centerville's residents and businesses. Finally, this budget provides the necessary funding to maintain and replace the City's critical infrastructure, as well its aging fleet and equipment.

The Proposed Budget includes significant funding for capital projects and equipment. The Capital Projects Fund will account for nearly \$1 million of the City's governmental capital equipment and infrastructure improvements. The Transportation Fund will provide approximately \$1.6 million for road improvement projects, which includes \$150,000 for sidewalk repair and maintenance. In addition to regular maintenance and replacement of waterlines, the City will also be allocating approximately \$2 million for the construction of a new water reservoir.

## Budget Structural Changes

In an effort to better demonstrate the true costs of services, we have moved the Community Services Manager position from Recreation to the General Fund in the Community Services Division (formally known as the Community Events Division). Historically, the General Fund subsidized the Recreation Fund for the amount of the Community Services Manager's (formally titled Recreation Coordinator) salary and benefits. While the Community Services Manager still oversees the recreation programs, its

responsibilities and duties include much more than recreation. Moving this position to the General Fund allows the Recreation Fund to solely reflect recreation revenues and expenditures.

### **Revenues**

The three largest sources of tax revenue for the General Fund are Sales Tax, Property Tax, and the Energy Sales and Use Tax (referred to as “Franchise Tax”). Sales Tax revenues have remained strong in recent years. We are projecting Sales Tax revenue to be \$5.7 million, which is in line with actual sales tax revenue received in FY 2022 and estimated sales tax revenue in FY 2023.

In FY 2024, property tax will decrease approximately \$54,836. This is due to Davis County Animal Control becoming its own taxing entity. In prior years, the City would pay an assessment to Animal Control for services rendered in Centerville. With Animal Control becoming its own taxing entity this year, the City is required to forgo the amount that was paid in the assessment in FY 2023.

The other major tax revenue source in the General Fund is the Energy Sales and Use Tax. This tax (6%) is applied to the monthly bills for electric power and natural gas. The amount of revenue from this source fluctuates somewhat from year to year depending on the collective energy usage within the community, but generally speaking, has remained relatively level for several years. By contrast, municipal telecommunications tax revenue has declined as telephone users abandoned traditional land lines in favor of cell phones and internet phone service.

### **Personnel**

A high-quality workforce is a critical component of maintaining the high level of services expected by Centerville’s residents and businesses. Taking care of our existing employees remains a priority in this budget. This budget reflects a Cost of Living Adjustment (COLA) based on the Consumer Price Index (CPI) West Region (December 2021-December 2022) of 6.2% to all employees. This budget also includes a proposed 2% merit increase to be determined and allocated to employees by their respective Department Heads.

Included in this budget is a request from the Streets Department for an additional full-time employee. As the City has grown, the Streets Department workload has increased significantly. Currently, the Streets Department is unable to fully staff the crew needed for snow removal and various other street projects. Additionally, the Streets Department has taken on the work of crack sealing, a function which was priorly outsourced. An additional employee will give them the staffing needed to safely perform their duties.

### **RAP Tax**

In November 2015, Centerville voters approved the renewal of the Recreation, Arts, and Parks (RAP) Tax, a 1/10<sup>th</sup> cent sales tax. This renewal became effective April 1, 2016. Currently, the RAP Tax is being allocated for the following purposes:

- 85% for Parks
- 5% for Whitaker Museum building and ground improvements
- 5% for maintenance of the Performing Arts Center building
- 5% for purposes to be determined by the Council

Most of the RAP Tax revenue is being used to pay for the financing for park renovations, including the lease payments due to Zion's Public Finance for the Island View Park renovation. Proposed in this budget is a transfer of Fund Balance from the RAP Tax Fund to the Parks Fund for the purpose of funding the construction of park infrastructure improvements, including pickleball courts at Community Park.

### **Parks Fund**

The Parks Fund is used for infrastructure improvements to the City's parks systems. A major source of funding for the Parks Fund is the transfer of RAP Tax revenue. As previously mentioned, the Parks Fund currently receives 85% of the RAP Tax. This year, an additional transfer of RAP Tax Funds is being proposed in order to fund a few major projects.

The City is recommending some significant improvements to Community Park. These projects include pickleball courts, playground replacement, and lights in the parking lots and walking path areas.

### **Transportation Fund**

The Transportation Fund provides the improving and maintaining of quality City streets. Sources of revenue for this fund include the County imposed ¼ cent transportation sales tax (gasoline tax), a share of the state sales tax dedicated to Class C road maintenance, as well as a transfer from the General Fund. As a result, the Proposed Budget includes approximately \$1.6 million for the maintenance of roads. It also allocates \$150,000 for sidewalk maintenance and repair.

### **Long-Term Financial Obligations**

Historically, Centerville City has held relatively few debt obligations. In FY 2023, the City completed the final payment to South Davis Recreation District for the Community Park expansion. Currently, the City has the following long-term financial obligations:

- 1) repayment of water revenue bond;
- 2) an annual pledge for UTOPIA; and
- 3) repayment of the Real Property Lease for Island View Park.

### **Enterprise Service Funds**

The City provides culinary water services, drainage utility, and waste collection using the enterprise approach. In other words, these services are fully funded with user fees.

**CULINARY WATER** – The City's recently updated Culinary Water Capital Facilities Plan identifies areas of system improvements and focuses on the replacement of water mains and water storage facilities. The replacement of aging pipe is critical in order to avoid costly breaks, that may pose significant risk of damage to roads and nearby homes and businesses.

The City has been approved for a \$1.5 million federal grant that will assist in the building of a new water reservoir. The new reservoir, to be located at the top of Oakridge Drive, will replace the aging Green Steel Tank.

**DRAINAGE UTILITY** – In FY 2024, the City is expecting to complete its updated Storm Drain Master Plan. In conjunction with the updated plan, the City will also perform a fee analysis. Monthly user fees to

maintain the City's drainage system are known as "drainage utility" and "subsurface drain" fees. Storm drain replacements are being coordinated with street and water projects.

**SANITATION** – In FY 2024, the contracted cost to the City for collection services has increased 7.1%. In FY 2025, collection fees will again increase (up to 5% based on CPI). In addition to collection fee increases, tipping volume has increased in recent years. The cost of containers has also increased significantly. Due to increased costs, the City is proposing a fee increase for the collections of solid waste (garbage), recycling, and green waste. The proposed fee increase would change the collection fee for the first solid waste can from \$13.69 to \$15.55, recycling can from \$4.35 to \$5.11, and green waste from \$10.61 to \$12.07.

### **Redevelopment Agency**

The Centerville Redevelopment Agency (RDA) is a separate legal entity created under State law for the purpose of assisting in the redevelopment of under-developed areas in the City. The City Council serves as the RDA Board of Directors. The RDA's Budget is included in the total budget document, however, is subject to its own public hearing and adoption process.

The source of revenue for the RDA Fund is the property tax "increment" (or increase) created by increasing the taxable property value in each "Project Area" through redevelopment activities. The RDA is entitled to use a portion of the new property tax revenues for legitimate purposes identified in State law – such as public infrastructure (roads, utilities, etc.) in the Project Area, public amenities, financial assistance to developers, and construction or preservation of affordable housing.

The Centerville RDA Proposed Budget is shown immediately after the Centerville City Proposed Budget. The RDA currently has four Project Areas:

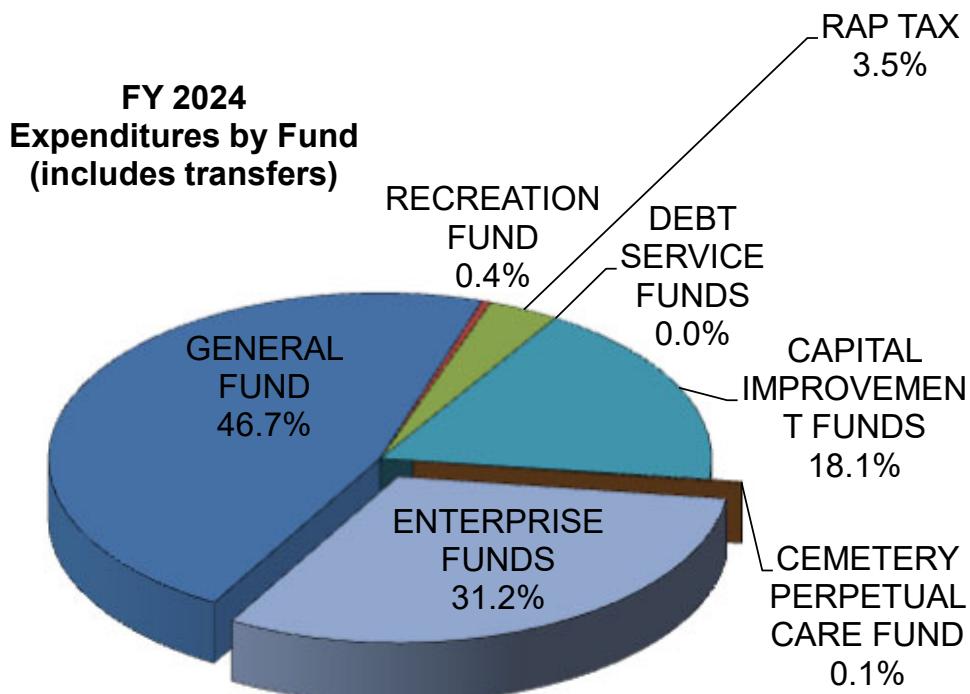

- 1) Parrish Lane Gateway Project Area (traditional Redevelopment Area or RDA);
- 2) Legacy Crossing at Parrish Lane Project Area (Community Development Area or CDA);
- 3) Barnard Creek Project Area (CDA); and
- 4) Porter-Walton Area (Community Reinvestment Area or CRA).

The biggest current commitment related to all Project Areas are tax increment refunds paid to developers to reimburse them for public infrastructure (roads, water mains, storm drains, etc.) and some private on-site improvements. This year, the RDA is proposing the allocation of funds to be used for the traffic upgrades at the intersections on Parrish Lane at 400 West. The RDA is also proposing funds be used for the completion of the Economic Development Plan.

The RDA also receives monthly rental payments from CenterPoint Legacy Theatre for use of the DCPA facility. These rental payments are deposited into a restricted account known as the Theatre Reserve Fund, to be used for major repairs to the facility. These monthly payments can also be used to reimburse the RDA for other facility-related expenses that are not the obligation of CenterPoint Legacy Theatre.

## GENERAL FUND BY DEPARTMENT

MAYOR AND CITY COUNCIL

Centerville City operates under a Six-Member Council form of Government. Under this form of government, the powers of municipal government are vested in a council consisting of six members, one of which is a mayor. The mayor is, except in limited circumstances, a nonvoting member. The mayor is the chief executive officer, meaning all employees report to him or her. Council is the legislative body of the City and exercises the legislative powers and performs the legislative duties and functions of the municipality. Mayor and Councilmembers are part-time elected officials who serve a four-year term and are elected in a nonpartisan election.

## GENERAL FUND BY DEPARTMENT

JUSTICE COURT

The Centerville Municipal Justice Court serves as the judicial branch of the government. The Justice Court has been serving the citizens of Centerville since 1916, with the current format of the Court being established in 1972. The Centerville Municipal Justice Court provides the citizens with an open, fair, efficient, and independent system for the advancement of justice under the law. It is an independent branch of government constitutionally entrusted with the fair and just resolution of disputes in order to preserve the rule of law and to protect the rights and liberties guaranteed by the Constitution and laws of the United States and the State of Utah. Court Bailiff services are provided by the Police Department.

## GENERAL FUND BY DEPARTMENT

Animal Control Services

Historically, Centerville City has contracted with Davis County Animal Care for its animal control services. In FY 2024, Davis County Animal Care will continue to provide animal control services for the City, but is set to become its own taxing entity, thus eliminating the contracted cost of service.

## GENERAL FUND BY DEPARTMENT

Engineering Services

The Engineering Division provides engineering review and support for the Community Development and Building & Zoning Inspection Division permit issuance including residential and commercial subdivision review, approval, inspections and construction oversight to ensure projects are constructed in accordance with City codes and standards. The costs of these services are offset with fees charged to the developer. The Engineering Division also provides survey and design services for various Parks and Cemetery projects. Additionally, the Engineering Division provides transportation planning, road, signal and intersection design, traffic management and studies and oversees survey, design, bidding and construction of capital improvement program (CIP) projects. The Division also provides storm water management, planning and design, and construction oversight of large CIP storm drain projects. The costs for these services are allocated to the respective fund.

## Centerville City Budget

Fiscal Year 2024

### RAP TAX FUND

Centerville City submitted an opinion to the residents of the City at the municipal general election held on November 3, 2015, providing each resident an opportunity to express the resident's opinion on the reauthorization of a local sales and use tax of one-tenth of one percent (0.10%) on certain qualifying transactions within the City to fund recreational facilities and cultural facilities and organizations for the City (2015 RAP Tax). A majority of the City's registered voters voting on the opinion question voted in favor of imposing the 2015 RAP Tax. The monies collected from the 2015 RAP Tax shall be used for financing recreational and cultural facilities, to finance ongoing operating expenses of recreational facilities or cultural organizations, and for any other eligible facilities or organizations provided by law as approved by the City Council.

## Centerville City Budget

Fiscal Year 2024

### UTOPIA FUND

The City entered into a Pledge and Loan Agreement with the Utah Telecommunication Open Infrastructure Agency (UTOPIA). UTOPIA is an interlocal cooperative created to finance, construct and operate a system of fiber optic communication lines in various cities in the state. UTOPIA leases use of the fiber optic system to retail vendors of telephone, video, and internet services. The pledge commits the City to set aside and deposit funds as security in a debt service fund for the portion of the project related to the City.

## Centerville City Budget

Fiscal Year 2024

### WATER FUND

The Water Fund is used to account for the activities of the City's culinary water system. The Centerville City Public Works Water Division has a proud heritage of providing high quality culinary water to Centerville residents at affordable rates. Over the years, the Water Division has been honored with numerous awards ranging from safety to taste tests! We strive to offer the best service and are constantly finding innovative methods of improving the water system.

## REDEVELOPMENT AGENCY

The Redevelopment Agency (RDA) is an agency authorized under State Law Title 17C known as the Limited Purpose Local Government Entities-Community Development and Renewal Agencies. The purpose of the RDA is to facilitate redevelopment efforts in a designated community and to administer projects/programs to assist in economic development, community development and renewing urban areas. The RDA's governing body consists of the current members of the City Council.

The RDA promotes economic development by encouraging private and public investment in previously developed areas that are underutilized or blighted; and by working with businesses to increase jobs available in the community and the state as a whole.

The RDA currently has four Project Areas:

- 1) Parrish Lane Gateway Project Area (traditional Redevelopment Area or RDA);
- 2) Legacy Crossing at Parrish Lane Project Area (Community Development Area or CDA);
- 3) Barnard Creek Project Area (CDA); and
- 4) Porter-Walton Area (Community Reinvestment Area or CRA).
